

START USING THE AGENT + ADVISOR EXPERIENCE

EASY START GUIDE

You told us you want to work with a company that makes it easy to manage your business. That's why we built the Agent + Advisor Experience, an all-new platform for you to access Transamerica products.

NEW WEBSITE, NEW LOG IN

The first time you log in to the AX, please create a new username and password. We understand no one wants another password to remember, but the AX will help ensure a more secure and integrated experience. Over time, this will become the only username and password you will need for Transamerica business. The old websites will remain available as you become familiar with the AX.

WHAT YOU'LL NEED

- Your agent or advisor number
- Access to the email associated with your current Transamerica account
- Your computer or device — tablets and phones welcome!
- For the best experience, use Chrome, Firefox, or Safari

CREATE YOUR USERNAME AND PASSWORD

Your AX username and password won't change or replace those you use on other Transamerica websites.

RETURN USERS

Go to transamerica.com. Click the  button. Follow the instructions to log in with your AX username and password.
